

FRONTIER®

CATALOG

season 2017-2018

OFFICIAL MEMBERS OF THE
IIHF
SUPPLIER POOL

United team spirit, hard work mixed with the talent, trust to each other, smell of the locker room, pain, sorrow, dramatic spectacles, passion and glory - hockey gives us so much both as for athletes and as humans. To get the best out of us.

FRONTIER is proud to be a part of this.

By producing and improving reliable equipment for true gladiators of nowadays: for hockey players and goalies.

Since 2001.

GOALIE

9985G Classic

Light and technical PU foam goalie stick.

Common choice for highest level goalies who perform in KHL, European highest leagues, World Championships and Olympics.

100% carbon fabric reinforcement on the paddle and unique Texalium shield on the blade together with optimal PU Foam shape and recipe allow this product to have it's own unique character.

9985G Carbon

In fact, a tune up version of "Classic".

The "Carbon" has additional carbon elements in the blade area.

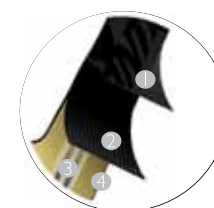

Fits for goalies who prefer a stick with a stiffer blade area.

9975G

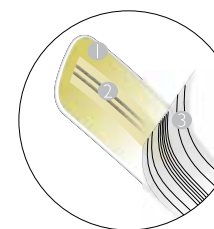

Reliable PU Foam stick for goalies who prefer excellent rebound features.

This model is a true companion for double KHL Gagarin Cup winner Alexander Yeryomenko.

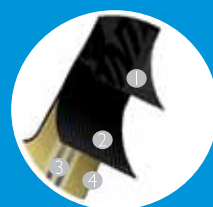

PADDLE

- Lie 13 / 60°

GOALIE

Goal Pads PRO

Produced from the best, most durable high density foam available.

Ready to meet the pro level goalie demands. This equipment meets size requirements for 11" width and all other rules for all leagues.

 Made in Canada.

Sizes: 32+2", 33+2", 34+2", 35+2", 36+2", 38"

Catch Glove PRO

- Pro spec construction
- Light weight
- Made in Canada

Blocker PRO

- Pro spec construction
- Light weight
- Made in Canada

Goalie Wheel Bag PRO Sr

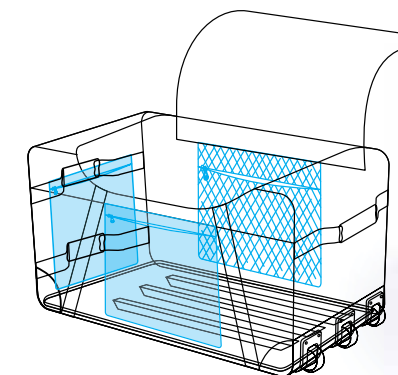

Designed for heavy duty: to contain a full set of senior goalie equipment.

Strong 1680 denier fabric is combined with ripstop nylon reinforcements.

Carry straps are long enough to carry the bag on shoulder or just attach the straps together on the top of the bag for comfortable lifting and transportation.

Carry straps are box stitched and riveted for extra strength. Additional strong lift-handles are placed on both ends of the bag.

3 Large sized wheels keep the bag from dragging on the bottom. Internal storage pockets with zippers are placed on both sides and on one end of the bag. U shaped opening with extra strong #10 type of zipper enables easy access.

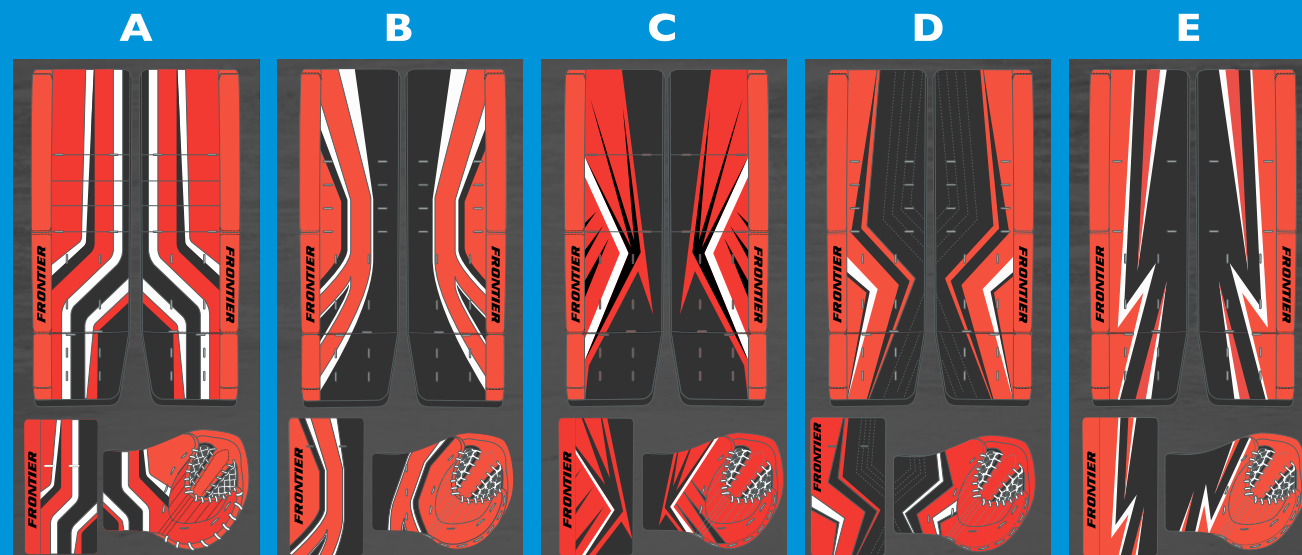

COLOUR OPTIONS:

- BLACK/ RED
- BLACK/ BLACK

MEASURES

- 44"Long x 21"High x 20"Wide
- 112cm Long x 54cm High x 52cm Wide

MANY OTHER COLOURS AVAILABLE!

Goalie Neck Protector Sr/Jr

Curved chin area fits well on the chest and slides across jersey without blocking head motion.

Moulded in polycarbonate for maximum durability and shock resistance.

Fitting laces included.

Produced and certified in Europe.

 EN ISO 102 56:2015 certified.

PLAYER

FI7.0 Sr/Int/Jr

This True-One-Piece Monocoque stick is produced by using single moulding technology.

Whole stick is fully covered with 24K carbon weave.

Two reinforcing stabilizers run across the aero foam core to increase the durability, stiffness and torsional rigidity of the blade.

FI7.0 has a slim shaft mould with slightly tapered lower part.

The low kick point of the stick enables quicker release on wrist shots and snap shots by fastening maximization of velocity.

This pro level twig has attracted to itself loyal users from several European Extra and Highest Leagues.

WEIGHT

- SR, 425g
- Int, 410g
- Jr, 350g

SHAFT

- Semi-square corners
- Slight 2-side concave
- 24K carbon weave exterior
- Flat rubber grip

BLADE

- Two carbon stabilizers
- High density aero foam core
- 24K carbon weave exterior

LOW KICK POINT

100%
CARBON

FI1.1 Sr/Int/Jr

One of the top models of Frontier player sticks.

Produced by using Fused-One-Piece technology.

Fully covered with 12K carbon weave.

Low kick point enables fast wrist shots and maximum load.

Solid two stabilizers reinforced blade adds accuracy to the shots.

WEIGHT

- Sr, 435g
- Int, 410g
- Jr, 340g

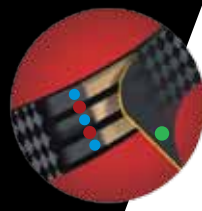

SHAFT

PLAYER

Player Wheel Bag Sr

Designed to contain a full set of player equipment.

Durable 840 denier fabric, inner lining, vent holes and properly planned straps, handles and pockets maximize the ease of usage. 3 wheels keep the bag from dragging on the bottom. Carry straps are riveted for extra strength. U shaped opening with strong #10 type of zipper enables easy access.

DIMENSIONS:

- 40"Long x 17"High x 18"Wide
- 102cm Long x 44cm High x 46cm Wide

COLOUR OPTIONS

Black / Blue / Dark Green

Player Carry Bag PRO Sr

Practical North-American type of hockey carry bag.

Strong 1680 denier fabric, riveted carry straps and strong #10 type of zipper add durability. Vent holes, internal pocket for accessories and grab handles on both ends add comfort of use. Fits easy and softly into your car.

DIMENSIONS:

- 39"Long x 18"High x 16"Wide
- 99cm Long x 45cm High x 40cm Wide

Visors Sr

Frontier FrontLine professional visors are designed to resist extreme impacts of sharp shots.

Visors are covered with anti-fog and anti-scratch layers. If maintained properly the layers will stay active for the whole lifetime of the visor.

Assembly fittings, cleaning emulsion and towel included. All Frontier FrontLine visors have a IIHF Supplier Pool license: acceptance to use at IIHF World Championships and Olympic Games.

Produced and certified in Europe.

CE EN ISO 102 56:2015 certified.
